**Age of Steam: Southern US & Western US Expansion**

**Age of Steam™: Expansion maps for the Southern US & Western US** are exciting new additions for the highly popular *Age of Steam* board game series. *Age of Steam* is currently ranked #29 overall for strategy games and #43 for board games on BoardGameGeek.com.

The **Southern US map** ranges from New Orleans to Raleigh and from Memphis to Jacksonville. Cotton goods are used in this expansion which focuses on the Old South.

The **Western US Map** ranges from Los Angeles to Duluth and from Seattle to New Orleans. This game has special rules involving the transcontinental networks. Plus:
- Towns start with goods cubes that are lost when the town is urbanized; and
- New terrain playing area of swamps.
