Salmon Run
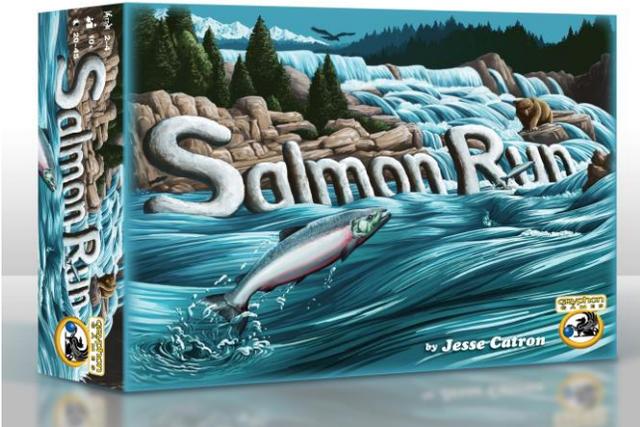

Prepare for the race of a lifetime!

Every year, thousands of salmon are compelled by nature to leave the ocean and swim up the river of their birth to spawn. This perilous journey can span hundreds of miles and it is fraught with danger. Strong rapids, waterfalls, hungry bears, and eagles all await the salmon on their quest. Only the most fit will complete the SALMON RUN!

SALMON RUN is a fast-paced racing game for the whole family featuring:

➢ **Deck-building** – Choose your course upriver! This will determine which cards you may add to your swimming deck. Enhance your swimming ability by gaining the most powerful swim cards!

➢ **Player Interaction** – Acquire cards to unleash hungry bears and eagles on your opponent's salmon! Unlock the power of the river's raging rapids and strong currents!

➢ **Fatigue** – Avoid overexertion, as this leads to the build-up of fatigue, which will slow you down!

➢ **Modular boards** – Experience a new river each game! The river's difficulty & length can be customized to your liking!

➢ **Easy to learn rules** – quickly have you swimming up river!
